Hear Ye! Hear Ye!

All those lost at sea

Know ye now that His Excellency the Baron of Borealis, our Own fair Reme has found a most competent and capable Person of the name Bob (780-951-4638), who has gathered much knowledge unto his self on the matter of Celestial Navigation in this most moderne age of GPS.

This person Bob calls out to all those who would share in this knowledge to convene on the western tip of Lake Wabamun at the most Prestigious Edmonton Yacht Club at the times and dates listed at www.TCOG.net/Nav.

It has been given me to understand that this course will take place in two parts and will utilize olde world instrumentation such that each person who attends this most excellent educational experience will learn much about the stars, planets and moon that brighten our night sky.

Most Kindly,
Julianne
